As now a flow - er pet - al falls on a might - y sea _____
As now a spir - it mov - ing, glides o - ver wa - ter deep _____
As now the waves are crash - ing, splash on a rock - y shore _____

F min D^b A^b G min C

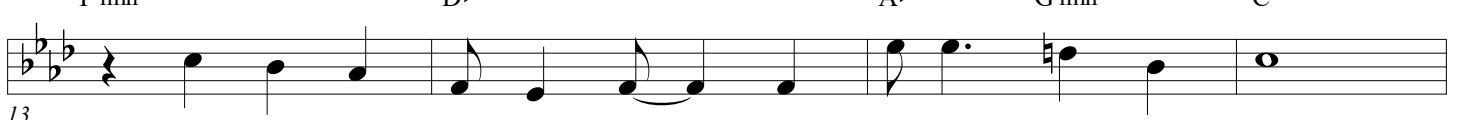

5 Deep blue and surg - ing waves swell end - less - ly
And blows this breath of life, _____ brief - ly we keep
Moved by some mys - tic force, for - ev - er more

F min F min/D B^bmin7/D^b F min

9 The clouds are lit by sun - light danc - ing on the crest,
Gold streams of light re - veal - ing, show - ing all that's good
And now a flow - er pet - al, sink - ing in the waves

F min D^b A^b G min C

13 Of cease - less fright - ening waves, no feel - ing thought or rest.
Dark myst - ery hides a power, just dim - ly un - der - stood
And so, the sea con - sumes, now tak - ing what it gave

D^b B^bmin7 C F min

17 Peace fills the salt - y air _____ blow - ing like a ten - der breeze _____

D^b B^bmin7 C F min

21 Feel now the pres - ence here, _____ cre - a - tor of mo - ments like these.
